Getting Started with Longarm Quilting

Are you interested in learning more about longarm quilting? This class is a show and tell of all the best features of the Handi Quilter machine lineup. We'll answer all your questions about basics like machine and frame maintenance, loading a quilt, setting your tension, using pantographs and stencils, and picking the most appropriate thread to stitch out the perfect design.

9 AM – 12 PM

Wednesday, July 7

Friday, July 9

Free Motion Quilting. You Can Do It!

Ready to tackle free-motion quilting? It's as easy as starting with a few simple shapes! By beginning with drawing, you can develop an inventory of free motion designs that you can stitch out continuously. Fun fills, creative borders and easy blocks will all be demonstrated. Quilting out beautiful designs using free motion techniques will take your skills to the next level.

1 PM – 4 PM

Wednesday, July 7

Friday, July 9

Can't Have Enough Rulers

Do you love rulers? But are you still looking for new ways to use them? In this class, we'll focus on building an inventory of design ideas using the HQ VersaTool and other HQ rulers. Point to point quilting using markings already on your quilt – like seams or corners – is a cinch with rulers. We'll start with ruler basics, then move on to creating beautiful designs for your entire quilt.
